From the Principal

A big thank you to all students who supported last week’s Wear Boardies to School Day. Over $750 was collected which will go a long way to providing water purifiers to developing communities around the world. Congratulations to Winter V for organising this event through the charity, Waves for Water.

Today I was thrilled to visit the Year Five students who had set their penguin projects up in the hall to educate us about the plight of the Manly Little Penguin.

Manly Village students worked with students from Mackellar Girls High School to research and design a project to raise awareness in the general community about how to prevent the penguins’ numbers from decreasing.

These proud students will present their projects at Taronga Zoo this Thursday 19 June, along with other member schools of the Northern Beaches Learning Alliance.

Thank you to Miss Piper for coordinating Manly Village Public School’s participation in this worthwhile learning opportunity.

Susan Young

I’m waiting on confirmation of the round for boys soccer, after the washout.

Congratulations to our 5 fabulous representative Cross Country runners who ran on a muddy, slippery track at the Sydney North Cross Country Carnival at Gosford Race track. Kelsey, Piper, Rafi, Tia and Aurelia competed as part of the Manly PSSA team and should be extremely proud of themselves. A huge congratulations to Piper for her 4th place in the 12 years girls event. She will now compete at the NSW PSSA Cross Country carnival at Eastern Creek race track, in July, as part of the Sydney North PSSA team.

We wish Declan all the best for a fabulous NSW PSSA rugby league carnival. He is competing over the next 3 days at Kingscliff, as part of the Sydney North Open Primary Rugby League team. Play hard Declan and have a great time.

Declan has also been successful in selection into the Manly Warringah Sea Eagles U12's Development Squad. A great achievement Declan.

A reminder to any child, particularly children in years 5 and 6, who would like to participate in the Cricket Gala Day to give your name to Mrs Spillane this week. We need to reach a required number of children to enter teams. The cricket gala day is open to girls and boys, with and without cricket experience. Ideally it would be great if we could enter a competitive team and a non-competitive team to cater for all abilities.

**Dance News**

Our very beautiful group of 24 dancers from Manly Village Public School have had an exhausting schedule over the past week. They performed at the Extreme Dance Competition at UTS, Kuringai early (very early) on Sunday morning and were absolutely beautiful. They turned the dance around, with several changes, to perform Monday morning and Monday evening at the Sydney North Dance Festival at Glen Street Theatre - looking immaculate and enjoying every moment. The dance group will perform again this evening at Glen Street Theatre, at tomorrow’s 3-6 assembly, and in a matinee next week at Glen Street Theatre.

I would like to send a HUGE thank you to the parents who have dressed and taxied the children on very early weekend mornings and very late evenings so that they can perform. I know the girls have had a great time and I’ve been so proud of them all, but none of it would be possible without the fabulous parents. Thank you. The girls and their parents make being part of the dance group a wonderful experience.

**MERIT AWARDS**

These will be awarded to the students at the assembly on **Wednesday 25 June**

**Manly OOSH Inc.**

Manly OOSH is once again very proud to be offering Vacation Care during the July school holidays. Our places are limited and we want Manly Village families to get the first opportunity to book any of the days they may want or need for the school break before we open our doors to the local community. If you are interested in Vacation Care for your children and love the idea of it being on site and with their regular school friends sharing in the fun, then please drop us an email at [info@manlyoosh.com.au](mailto:info@manlyoosh.com.au) and we can send out a program and enrolment forms. We are registered with Family Assistance Office and 50% of the out of pocket cost can be claimed back with your tax along with any CCB rebates you may be entitled to. If you have any questions, please do not hesitate to contact us or come over and see us at the Centre, before or after school on any day. We have some fantastic excursions planned but places will fill up fast.

P&C News

The P&C executive will be meeting with Mike Baird this Friday to discuss the issue of how best to control the growth in student numbers. At the P&C meeting last week this was a topic of discussion and a letter outlining the areas of concern was sent to the Principal to forward to the Department of Education. A request was also made to meet with Mike Baird as our local member of parliament and it's pleasing that, despite his responsibilities as Premier, he has made time to meet at short notice.

The immediate issue is that there are 72 children in Year 6, and around 130 in Kindergarten. If next year's Kindergarten intake is also around 130, that will mean 50 extra children which could require two new classrooms. Its important that this situation is avoided as it could result in a demountable building being put in our congested playground.

Plans to change the catchment area for MVPS and surrounding schools have been developed and proposals were shown to the P&C executive last year. As the time for 2015 enrolments fast approaches, the P&C is seeking clarification as to the progress of implementing boundary changes to manage student population growth. Mike Baird's office has said that they are aware of our concerns and solutions are available. Mr Baird's office also indicated that it's an issue that affects many schools in the area and this week's State budget will include provisions to address it.

We will update you as to the outcome of the meeting next week.

Neale Siebert
P&C President

The P & C would like to thank Manly Cycles for their $180 donation to the school from the loyalty scheme. Manly Cycles give 10% of the purchase price from items purchased by MVPS parents back to the school as part of the scheme. Manly Cycles sell and maintain both cycles and scooters, as well as stock a range of accessories. Please remember to mention the school when shopping. Thanks Manly Cycles.
