Grandfriends’ Day celebrations
It was such a lovely way to spend the morning last Wednesday with our special grandfriends. Our grandfriends were treated to classroom visits, a delicious morning tea and delightful performances in the hall. Many thanks to Miss Stewart for coordinating the morning, the fabulous staff who prepared our children for their items, our children for their enthusiasm and wonderful display of talent, the terrific team of year 2 mums who organised and served the yummy morning tea and Mr Eris for his hard work assisting with the set up and pack away.

What’s due?
● Asthma Action Plans
● Semester One Invoice payments

P & C meets at 7pm the 2nd Monday of each month during school terms. mvpspandc@gmail.com
Band Camp
We wish our students, staff and parents attending Band Camp this week a fabulous few days of music and friendship. I thank our fabulous band committee, Mrs Young and Liz Flynn in advance for their incredible “behind the scenes” organisation (and it is huge), ensuring the camp is engaging and exciting for students, our volunteers assisting with transporting instruments and the activities and our dedicated teaching staff Miss Aitken, Mr Hosegood, Mr Turner and Ms Wilcher for being so giving of their time away from their own families to attend, participate in and supervise the event. Have a fabulous time!

Reporting to parents
Student reports are sent home at the end of each semester. These reports provide valuable information on children’s progress and effort in the key learning areas as well as their work habits. The reports will be sent home with children on Thursday 18 June 2015. Student progress and achievement is reported in relation to the NSW syllabus documents. In 2015 we are implementing the new NSW English, mathematics and science syllabus documents. You may see slight changes to our reports to reflect this. The new NSW English K-10 syllabus is not structured around strands. Like last year, teachers will report using a comment on overall student achievement in English K-6. In Years 1-6, reports will also include an overall grade based on the A-E scale or equivalent word descriptions. In mathematics, student progress and achievement will be reported to the three new strands of Number and Algebra, Measurement and Geometry and Statistics and Probability. Working Mathematically is no longer a separate strand, rather it is embedded in each of the three strands and reported on in the context of each strand.

MVPS Star Students
Congratulations to our MVPS cross country team who represented our school at district level last week. Our students are to be commended on their excellent behaviour and participation. Congratulations to the following students who will represent our school at the upcoming regional carnival. Tom P finished 4th in the 8 and 9 year boys’, Rafi G finished first in the 11 year boy’s, Aurelia C finished fourth in the 11 year girl’s and Henry C finished fifth in the 10 year boy’s. Tia M finished 3rd in the 12 year girl’s, Sophie M finished sixth in the 12 year girl’s.

Good luck to Celia P who is off to NSW state soccer championships at Camden next week.

Student health
We welcome information from parents about your child’s health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child’s health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child’s health and wellbeing. Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts. We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter’s health needs or as otherwise required by law.

**MEET THE MVPS SCRIPTURE & ETHICS TEACHERS**

We’d like to invite you to an afternoon tea on Wednesday, May 27, at MVPS just in front of the stage to meet the MVPS Scripture and Ethics teachers.

Please pop in anytime between 3-3.40pm, enjoy a cuppa and some yummy food, ask any questions you have about Scripture and Ethics, look at the curriculum we teach and meet the teachers who teach your children.

For more information please contact naomi@stmattsmanly.org.au

We hope you can make it!

**Vacancy - Parent/Carer/Grandparent to teach Ethics in Kindergarten**

Manly Village started ethics classes for Kindergarten children this year with classes being taught by parents/grandparents from the school community. Due to a change in circumstances, we now have a teacher vacancy for one of these classes. Volunteers will receive two days training to deliver the age-appropriate curriculum once a week and to use accompanying learning and teaching materials.

Ethics classes teach children how to approach ethical issues and develop their capacity for considered moral judgement, which will enable them to respond more thoughtfully to many of the problems and issues they will face in their lives. Primary Ethics provides the opportunity for NSW public primary school students who don’t attend scripture classes (SRE) to participate in philosophical ethics classes.

To apply to be a volunteer teacher please go to: [www.primaryethics.com.au](http://www.primaryethics.com.au) or contact Jill Rowse, MVPS Ethics Co-ordinator: manlyvillageethics@hotmail.com
