Good luck to our dance group!
Our wonderful dance group will be performing as part of the Sydney North Dance festival at Glen Street over the next two weeks. Our talented Mrs Spillane has choreographed a gorgeous routine for our students and they are just spectacular. We wish them all the very best for their performances. I can’t wait to cheer them on from the audience this week. You’ll hear your MVPS support!

Too sick for school?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially if that means an adult cancelling work. School A to Z and NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser [www.bit.ly/1hytn2E](http://www.bit.ly/1hytn2E). We have been reminding our students of the importance of careful hand washing and respiratory etiquette (e.g. covering a cough or sneeze and disposing of tissues in a rubbish bin) in an effort to help everyone keep well. We have had many unwell children (and teachers too) of late. Whilst we celebrate great school attendance, there is no doubt that the best way to recover from being unwell is a day or so of rest at home! I am sure everyone is looking forward to the upcoming holiday break to give everyone an opportunity to rest and recuperate.

Student Reports
Student reports will be sent home this Thursday 18 June. Please make sure to look for them in your child’s bag. Mrs Young and I have been busy reading everybody’s reports over the last week. Our teachers have worked incredibly hard to provide really meaningful, individual reflections of student’s progress to date as well as specific goals for next semester. It has been an absolute delight to read through the reports. I thank the teachers sincerely for their incredible professionalism and the many hours of work that go into each report. Our students should be so immensely proud of their achievements.

What’s due?

P & C will meet at 7pm Tuesday 14 July instead of Monday 13 July next term!

and effort this semester. It is really important to acknowledge when reading reports that “a SOUND is certainly something to celebrate” as that means your child is achieving the level expected for their stage of learning. Congratulations boys and girls on a fantastic semester of learning!

Mufti Day for Nepal
Last week at our 3-6 assembly, students had the pleasure of meeting Mr and Mrs Culligan, members of a Northern Beaches organisation, ChEd Nepal. Many of you may remember that Mrs Culligan was also a teacher at MVPS. Over the last month, they have been very busy actively fund raising for the people of Nepal who, as we are aware, are working so hard to rebuild their lives after the recent, devastating earthquakes. Many of the schools in Nepal have now been reopened, on a temporary basis, bringing some sense of normality back to the children. Initially for the children the aims of returning to school will be to try and help them cope with this trauma through group activities and games. Mr and Mrs Culligan have been involved in a few schools in the Kathmandu Valley and in some of the rural areas. They are planning on returning to Nepal before the end of June, hopefully taking some educational supplies with them as well as buying some over there. To support their cause, MVPS will open our hearts again this Thursday, raising money for this cause with a mufti day! Students are invited to wear mufti clothes and bring a gold coin donation on Thursday! Money raised will help support the people of Nepal, being directed to where it is most needed. Many thanks in advance to our wonderful community for your ever generous support, this time especially for the people of Nepal!

School Development Day - Monday 13 July
The first day of term 3 is a school development day for us at Manly Village. Our staff will be participating in a series of sessions throughout the day around teacher accreditation, performance and development as well as a CPR refresher in the afternoon.

School Disco
I’m sure that our students are very much looking forward to this week’s school disco on Friday 19 June. It’s not too late to purchase your tickets! Many thanks in advance to our wonderful social committee for organising the event for our students. We look forward to seeing you all there! You may even catch a few of the teachers dancing!

Mufti Day to support school children in Nepal on Thursday 18 June - gold coin donation

It’s been nearly six weeks since the first 7.8 magnitude earthquake hit Nepal on 25 April. The second 7.3 magnitude earthquake struck two weeks later on 12 May. Even today, survivors are still fearful of the possibility of recurring aftershocks.

On Thursday 18 June, Manly Village PS will hold a Mufti day and we ask that you support ChEd Nepal and the communities in Nepal by donating a gold coin.

The organisation supports a school and a children’s boarding hostel in the Sindhupalchok District of Nepal, as well as a number of children and their families in the Kathmandu Valley. Members of ChEd Nepal will visit Nepal at the end of this month and are hoping to raise funds to provide much needed equipment and school supplies.
